

## SIM **Air** Force Training Center

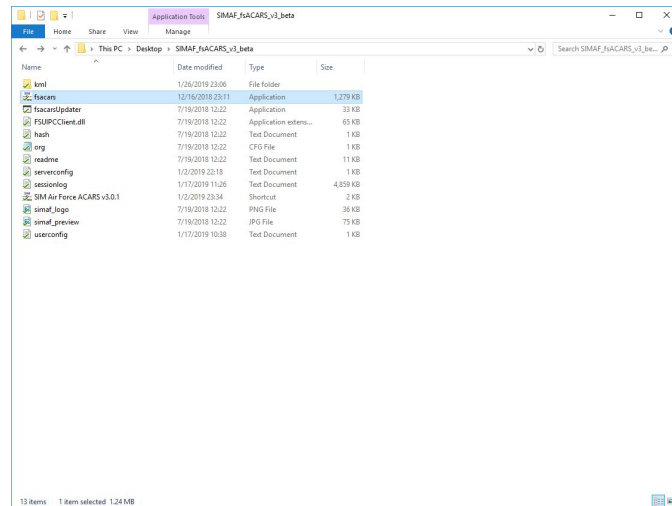

<http://www.simairforce.com>

### How To Run fsACARs As Administrator

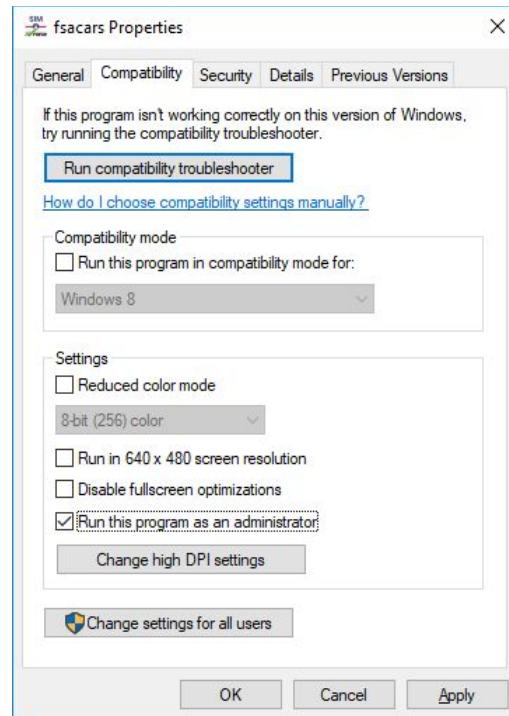

- Step 1: Locate the folder where the current version of SIM Air Force ACARS is located. It should look similar to the screenshot below:

- Step 2: Right click on the fscars.exe file and click “Properties”

- Step 3: Navigate to the “Compatibility” tab and click on “Run program as administrator”

- Step 4: Repeat steps 2 through 4 for fscarsupdater.exe
